4 . DISCUSSION ITEMS

A. CITY AND SCHOOL DISTRICT UPDATES

<u>City Update</u>

I. E-Bikes
- Public Safety Supervisor Amaya reported on the city's efforts to educate residents about e-bike safety during the Neighborhood Watch meetings. He also shared that the California Highway Patrol offers a free online training program that the city can share with the school district.
- The City will continue working with the school district on education efforts, especially at the start of the school year. This includes conducting another bike rack check, with support from the Sheriff's Department, to ensure students are following the rules.

II. Traffic Analysis Longden Elementary
- City Manager Cook reported that engineers are currently analyzing traffic patterns at Longden Elementary, with a draft of

recommendations expected within the next week for the school's review. Further discussions will take place between the city and the school and district before implementation.

- Parking signage is expected to be replaced before the end of the school year.

Temple City Unified School District Update

I. Safe Routes to School

- City Manager Cook reported that no new funding is currently available; however, the City will continue exploring road improvement opportunities throughout the city.
- Superintendent Cunha requested information regarding the left turn on Lemon and Temple City Boulevard. City Manager Cook will follow up with information from the engineers' report.

II. Camino Real Landscaping

- Superintendent Cunha requested assistance with the beautification and asked about alternative options for improving the curb to sidewalk area.
- Mayor Man responded that the City will explore funding opportunities to support these enhancements, including options such as drought resistant improvements.

III. School Ballot Measure

- Superintendent Cunha reported that polling results were favorable for the proposed measure, which will be a bond focused on safety, infrastructure, and Career Technical Education (CTE) improvements.
- A resolution for the measure will be presented to the school board for approval in July, with the measure anticipated to appear in the November ballot.

B. DISCUSSION FOR FUTURE MEETINGS

The topics discussed during the meeting, including e-bikes, traffic analysis at Longden Elementary, safe routes to school, Camino Real Landscaping, and the school ballot measure will be agendized for further discussion at the next meeting.

Superintendent Cunha asked that solar energy at schools be added as a topic on the next agenda.

5. UNFINISHED BUSINESS - None.

6. CLOSING COMMENTS/QUESTIONS (COMMITTEE MEMBERS) –
